Allergies

Always tell a server about any allergies or intolerances that you have before you order.

Unfortunately, it's not possible to guarantee that any product is 100% free from allergens due to the risk of cross contamination in our small, busy kitchen.

All fish may contain bones.

All food will be cooked to the chefs' specifications.

Should you wish for your food to be a certain way, please tell your server and we will do what we can to accommodate you.

As all our food is cooked fresh to order, there may be some delays during busy peak times, but please bear with us.

We are working hard to bring you your food as quick as possible.
